Dear dog owners,

Please follow these house rules:

Dogs must be kept on a **leash** in the entire hotel, out of consideration for other guests who have great respect for dogs and to avoid collisions with other dogs.

If you leave your dog alone in the room, please use the „**I am in the room**“ sign. Room cleaning will only take place when your dog is not in the room. Please use the prepared sheets to **cover the upholstered furniture** or on request we will be happy to provide you with a dog blanket.

Please arrange a **cleaning time** for your daily cleaning at the reception or directly with the maid.

In the restaurant, in the entire wellness area and in the Himmereich dogs are not allowed for hygienic reasons.

To **walk your dog**, please use the way by the river in the direction of Hintertux or the parking lot at the Rastkogelbahn. The public green area below the hotel is not meant for this purpose. (You will find an overview map on the back page.) After your walk, please use the **entrance by the suitcase loading zone** on the 1st floor. Here you will find our own **Very Important Dog** entrance. There are towels ready for wet paws, there is also a sink in the ski depot.

A little reminder:

All dogs must be **muzzled** on public transport and in the surrounding area.
