

Dear dog owners,

Your four-legged friend is very welcome here!

Please note the following house rules:

Before arrival:

Your dog must be well behaved and house-trained, socially acceptable (no biting or non-stop barking) and have liability insurance.

Please indicate when making your reservation that your dog will accompany you. We charge EUR 22.00 per dog and day.

In case of heavy soiling or damage to the room caused by your dog, we take the liberty of charging for this.

Please bring your own dog basket or blanket and food.

All dogs must be muzzled on public buses in the area.

During the stay:

Dogs must be kept on a leash throughout the hotel out of consideration for other guests who have great respect for dogs and to avoid collisions with other dogs.

Dogs are not allowed in the restaurant, in the entire wellness area and in the Himmelreich for hygienic reasons.

To walk your dog, please use the car park at the Rastkogelbahn or the Bachweg, please do not use the public green area below the hotel. After the walk, please use the entrance at the suitcase loading zone on the 1st floor. Here you will find towels for wet paws, and there is also a washbasin in the ski depot next to it.

If you leave your dog alone in the room, please use the „I am in the room“ sign. Without exception, room cleaning is only carried out when your dog is not in the room. You are welcome to arrange a cleaning time at the reception.
